Alcohol by volume: 13.40 % in Vol.

Total acidity: 5.20 gr/l.

pH: 3.20

Total So2: < 80 mg/l

TASTING

Serving temperature: 10/12°C

Colour: rich yellow straw colour

Nose: A fragrance that is elegant and intense, reminding one of ripe peaches and apricots and the exotic fruit of pineapple and mango. In the finish emerge floral scents of white blossoms accompanied by a light mineral note.

Palate: Elegant, warm, soft, rich and crisp, with an excellent structure and a balanced acidic presence, replays in the mouth the senses perceived by the nose, closes with a dry and enduring finish.

In the kitchen: Elegant and well-structured with balanced hints of fruit, this Pinot Grigio will certainly impress the most demanding palate. It is particularly suited to fish risotto, fish soup, seafood, and grilled cuttlefish.

It goes also well with smoked ham and soft cheeses.
